NOTICE TO EXHIBITORS

EVENT GUIDELINES – February 2023 (revised 1/6/2023)

The Charlotte Dog Training Club (CDTC) will be implementing the following protocols during this event.

Crating: Indoor crating will be allowed for exhibitors and volunteers.

Restrooms: Our indoor bathrooms will be available for use.

Parking: We have plenty of space outside to spread out so feel free to bring your pop-up tents, x-pens etc. Flexi leads are not allowed within 50 ft. of the building but can be used further out. RV's are allowed on-site during the day. **Overnight RV parking is offered by reservation only.** Contact the Trial Chair for additional parking information if you're bringing these larger vehicles.

I understand that if I am not in compliance with these guidelines, and I refuse to comply, I will be asked to leave the trial and entry fees will be forfeited.

I agree that I am attending this Charlotte Dog Training Club event entirely at my own risk and assume all risk and full responsibility for my own health, wellbeing, and safety during this event. I fully agree that Charlotte Dog Training Club is in no way liable for any present or future COVID-19 exposure incurred at any time by any person, in attendance or not in attendance, during or after this event, and I hereby waive, release and hold harmless the Charlotte Dog Training Club including its members, judges and volunteers required to host the competition, and its Board of Directors from any claim, and from any and all liability for damages thereto.

Rules are subject to change. Updates will be communicated via our website, our FB page for this event, or through our Secretary using the email you provide when you register. Your entry signifies your acceptance of these protocols.

We can confirm the Veterinarians in Charlotte are still seeing an increased number of the Canine Infectious Respiratory Disease Complex virus with a small number of these dogs developing pneumonia or chronic nasal infections. The cause of these respiratory illnesses has not been definitely diagnosed, even though many cultures and PCR panels have been submitted. Current numbers in the Georgia/North Carolina states have found Canine Influenza and Parainfluenza Virus are the most common pathogens being contracted. Our community of veterinarians are sharing information for these patients and continue to work on finding the best treatment plan. In order to keep our dogs free of this virus, we will follow the same protocol as in our previous trial where we will be mindful of the dogs health, keep them from sharing water bowls, and not allow close socializing. Thank you for your patience and understanding to keep all our dogs healthy and safe.

The American Kennel Club (AKC) Rules and Regulations will govern this Trial and Exhibitors must make themselves familiar with the agreement of the AKC referred to on the reverse side of the entry form in this Premium List

No Entry will be accepted which specifies any condition as to its acceptance. Signature required, unsigned entries, and entries received without payment will not be accepted. **Note: Entry Forms without the full AKC Agreement and Rules and signature on the reverse side will not be accepted.**

RETURNED CHECKS DO NOT CONSTITUTE A VALID ENTRY FEE. The club will add a \$25.00 collection fee to the amount of each returned check.
